Breaking Barriers and Aim or the Future in OB/GYN

18 – 19 NOVEMBER 2024
07.30 A.M. – 17.00 P.M. (+7, GMT)

Medical Learning Resource Center
and Ramathibodi School of Nursing Building
Faculty of Medicine, Ramathibodi Hospital,
Mahidol University, Bangkok

Time	DAY 1	
07:30 – 08:00	Registration	
08:00 – 08:05	Opening ceremony	Dean/Head of Department
08:05 – 08:35	Honorary Lecture	Aram Rojanasakul
Breaking barriers in endometrial cancer treatment and future directions		
I: Endometrial cancer: Molecular and classification and emerging targeted therapy for adjuvant treatment in endometrial cancer		
08:35 – 08:50	An overview of new paradigm staging	Arb-aroon Lertkhachonsuk
08:50 – 09:10	What are the challenges for pathologists in new staging of endometrial cancer; a view of gynecologic pathologists?	Tharintorn Chansoon Lukkana Promwattanaphan
II: The principle of molecular biology for diligent management of surgical procedures and fertility treatments		
09:10 – 09:30	Minimal invasive treatment and sentinel node mapping in endometrial cancer	Chuenkamon Charakorn
09:30 – 10:15	Simplifying uncommon complex issues in gynecological minimally invasive surgery	Srithean Lertvikool
10:15 – 10:20	Coffee break	
III: The molecular role for matching the right therapy for the right patient		
10:20 – 10:50	The adjuvant treatment in the era of the molecular endometrial cancer classification /radiotherapy	Chomporn Sitathane
10:50 – 11:20	Multimodality approach for treating advanced and recurrent endometrial cancer	Sikarn Satitniramai Raksina Winaitammakul
11:20 – 12:05	HPV vaccination: Paving the way to eliminate HPV-related cancers and disease	Sarikapan Wilailak
12:05 – 12:20	Lunch Box	
12:20 – 13:05	Target population for long-acting gonadotropin for ovarian stimulation in real-world practice.	Somjate Manipvirat
13:05 – 13:35	What's new in approaches to managing heavy menstrual bleeding?	Chutima Topipat
13:35 – 14:05	Principles of pharmacological treatment in PCOS	Chutima Topipat
14:05 – 14:35	Let's talk about obesity: Revolutionize weight loss in PCOS	Siriluk Tantanavipas
14:35 – 14:50	Coffee break	
14:50 – 15:35	Unveiling the multifaceted role of E4/DRSP beyond contraceptive applications	Areepan Sophonsritsuk Srithean Lertvikool
15:35 – 16:15	Breaking barrier in thalassemia screening and preimplantation genetic testing for monogenic disorder	Chonthicha Satirapod Maolee Bhuwathanapun
16:15 – 17:00	Modernizing hysteroscopic management for future advancements	Woradej Hongsakorn Chuleekorn Sritonchai

Time	DAY 2	
Earlier is better: Prenatal screening and prevention		
07:50 – 08:30	Preterm labor: One Syndrome Many Causes	Roberto Romero
08:30 – 09:00	Breaking barrier in prenatal genetic screening: which condition to screen?	Chayada Tangshewinsirikul
Breaking barrier in fetal ultrasound advancements throughout pregnancy		
09:00 – 09:30	First trimester ultrasound screening: Earliest checking for fetal abnormality	Wirada Dulyaphat
09:30 – 09:45	Coffee break	
09:45 – 10:15	Second trimester fetal anomaly screening: What we gain more from routine scanning?	Sanpon Diawtipsukon
10:15 – 10:45	Third trimester ultrasound: Is this too late for optimizing fetal well-being?	Woraluck Moradokkasem
10:45 – 11:00	Lunch Box	
11:00 – 11:45	Fetal heart innovations & AI for Women's health	Ruthairat Jeenpradit
11:45 – 12:15	How can Atosiban delay preterm labor and what's the key consideration feature?	Piya Chaemsaitong
12:15 – 12:45	Placental examination: An autopsy of pregnancy health	Puntabut Warintaksa Arune Singhnaeh
12:45 – 13:15	Pregnancy: A stress test for disease later in life	Waranyu Lertrat Nareenun Junsrinoyom
13:15 – 13:55	Experiences with implementation of preeclampsia screening and prevention	Liona Poon (CUHK), HK Mar del Gil Maria (Torrejon University Hospital), Spain
Breaking barrier in pelvic floor dysfunction diagnosis		
13:55 – 14:05	Screening & questionnaire for better care	Jittima Manonai Bartlett
14:05 – 14:25	Bedside ultrasound for general OB&GYN	Varisara Chantarasorn
14:25 – 14:40	Coffee break	
14:40 – 15:10	Current concept in OB&GYN management and the role of Vitamin E	Orawin Vallibhakara
A brighter future in Urogynecology		
15:10 – 15:50	Stress Urinary Incontinence treatment <ul style="list-style-type: none"> ● Platelet rich plasma ● Magnetic chair ● Bulking agent 	Orawee Chinthakanan Rujira Wattanayingcharoenchai Athasit Kitmanawat
15:50 – 16:20	Cosmetic Gynaecology <ul style="list-style-type: none"> ● Surgical procedures ● Non-surgical modalities 	Komkrit Aimjirakul Orawee Chinthakanan
16:20 – 16:30	Closing remarks	
		Arb-aroon Lertkhachonsuk
